

Buzzards' Homework

Due 25.04.18

Task 1: MATHS—TIME

Lots of us are struggling to tell the time accurately and convert between analogue & digital or 12 hour and 24 hour. So for your homework you must work on this with your parents everyday, throughout the day. As well as this you need to complete the time sheet given.

Task 2: Giglets - Reading task and questions

I have set each reading group a new text to read and answer questions on within your giglets account. Please make an effort to read and complete before the homework deadline!

To access the book click in you library and click the title for your group :

Olive: Whale Shark Fact File

Yellow & Orange : A good Friend

Red: The Emperor's new clothes

Complete the Hots Questions that follow as well and the Reading test questions.

Have FUN!

Miss Morgan

Who helped me with this homework :

How I found this homework:

Very hard

Ok, not too tough

Great no problems
